Communications

2. Communication from Supervisor Evans re: To appropriate additional funding for a security detail to monitor the CTC during a period of when the construction companies leave the facility until the facility is occupied—a period of 2 to 3 weeks (referred from July County Board Meeting):

(Supervisors Evans and Fewell arrived at 6:03 p.m.)

Chair Evans said this was actually passed at the County Board. He said the Facilities Department has reported that the amount of time might be 6-8 weeks now. He also said he will work with this department to determine if this item should be brought back to this Committee.

Motion made by Supervisor Lund and seconded by Supervisor Knier to receive and place on file. MOTION APPROVED UNANIMOUSLY.

3. Executive Committee Report: Item #3a(c)—To pursue an Operations and/or Management RFP for the Mental Health Center (referred from July County Board Meeting):

Chair Evans said that since there should be a new Human Services Director, he suggested allowing that person to review this before proceeding.

Supervisor LaViolette asked for clarification; Supervisor Knier explained that this proposal is an alternative to hiring a head of the Mental Health Center (Nursing Home Administrator).

Supervisor Lund said that a department head for the Human Services Department is required. He continued by saying it might be a good idea to get a management RFP for that center.

Motion made by Supervisor Lund and seconded by Supervisor Moynihan to refer this to the December Committee Meeting.

Supervisor Fewell said he was not certain that this should ever be pursued. He thought originally the conversation was to hire a consultant to help with the move and the set-up of the new facility; and it is now too late in the process to consider doing that. However, he said this is a management contract, which means paying a significant amount in overhead for having an outside party come in and manage the employees. This creates anxiety and gives the impression that Brown County is privatizing the facility. He repeated that he is not in favor of keeping this on the agenda.

Supervisor Knier said she is concerned about leaving this on the table, because Brown County is in the process of trying to recruit someone to fill the position as head of the Mental Health Center. She said if this remains on the table, it could affect a candidate's decision to leave a job to accept this position. She said if someone wants to pursue this later, it could be brought back to the Committee.

Supervisor Scray asked the cost of pursuing the RFP; Supervisor Evans said the cost would be in staff time. Supervisor LaViolette stated that an RFP takes a lot of time. Supervisor Scray said it was her understanding that the decision to be

made would be either to hire a director or bring in a management group for the Mental Health facility. Her concern was that during her time on the County Board (5 ½ to 6 years) there have been at least three different directors; and each director has encountered the same problems repeatedly. She said she is not opposed to hiring a director, but does think the option should be reviewed because of past history with the same re-occurring issues with different directors. She said she thinks there are a lot of very good employees who are not receiving the needed leadership. She also said she is not opposed to waiting until December and agreed that a potential new director should be told that this is a possibility.

Supervisor LaViolette said it appears to her that "we are too far down the trail." She agreed that it would be unfortunate to hire someone with the idea that Brown County would seriously consider bringing in outside management. She said she did not think that would create a healthy working environment, so she will vote against this motion.

Supervisor Fewell explained that in his experience a long-term-care management company would take a contract for this and then hire a Nursing Home Administrator, which means Brown County would be responsible for paying for both. So this would add to the overhead cost of operating this facility. Therefore, he would be more inclined to increase the salary of the Nursing Home Administrator in order to attract a more qualified individual.

Supervisors Lund and Moynihan withdrew the motion to refer this to the December Committee Meeting.

Motion made by Supervisor Lund and seconded by Supervisor Fewell to receive and place on file. MOTION APPROVED UNANIMOUSLY.

#3a. Communication from Supervisor Scray re: Review Brown County requirements of ID when applying for any Social Services from the County. Discuss the possibility of making Brown County requirements of ID stricter to prevent fraud.

Supervisor Scray thanked Chair Evans for adding this to the Agenda so promptly, and indicated that she plans to ask that this be held until next month. She said she had brought this up before, and the purpose is to institute stricter requirements (verifiable identification) for those people requesting government aid (food stamps, housing, etc.). She said that in the past Brown County was not allowed to request two forms of identification or picture identification. She recognized that a concern would be the effect on Federal funding. However, she thinks this deserves a "second look" in order to prevent people from obtaining benefits fraudulently.

Motion made by Supervisor Moynihan and seconded by Supervisor Lund to put on next month's meeting. MOTION APPROVED UNANIMOUSLY.

Aging & Disability Resource Center:

4. Revenue & Expense Reports of June 30, 2009, and July 31, 2009.:

5. Report from Jerry Polus and 3 Veterans Commissioners:

Chair Evans said he received a call from Supervisor Krueger today saying Mr. Polus would ask that this be put on next month's meeting.

Motion made by Supervisor Fewell and seconded by Supervisor Lund to put on next month's meeting. <u>MOTION APPROVED UNANIMOUSLY.</u>

Human Services Dept.

6. Request for Budget Transfer (#09-60): Interdepartmental Transfer (including contingency or general fund transfers): Request to cover the Community Programs 2008 deficit in the amount of \$434,516. Major contributors to the shortfall were program expenditures in our alcohol and drug abuse and alternate care purchased services. See attached for additional details:

Motion made by Supervisor Fewell and seconded by Supervisor Moynihan to approve. MOTION APPROVED UNANIMOUSLY.

7. Dixon Hughes RFP:

Supervisor LaViolette stated that she thinks the objectives (to improve electronic health record system, lab information system, patient billing and accounting systems) of the program are extremely important. When she asked if there was money in the Budget for this, Jayme Sellen, interim Human Services Department liaison, said there is approximately \$800,000 and that this is a Federal mandate.

Chair Evans suggested that this be held for a month when it is anticipated that the Human Services Director position will be filled.

Supervisor LaViolette said a new Director may not be ready to discuss this in 1 month, so it might need to be referred for longer than 1 month.

Supervisor Lund asked Ms. Sellen if there would be funds available from a stimulus package for 2010. She said this does not qualify right now. She said there are some minor corrections that Kurt Hogarty, Purchasing Director, will make. Supervisor Lund asked Ms. Sellen what the cost of this electronic records system would be. She said based on about 60 responses, the costs range from about \$1 million to \$2.3 million; she said there are a lot of variables. Supervisor Lund asked if it would be advantageous to hire a temporary staff person to put this information into the new computer system. Mr. Hogarty explained that this is not only a record storage system, but rather a medical record system that would interface with payments and other areas. Supervisor Lund asked if there would be any cost savings for the taxpayers; how long is the pay-back? Supervisor Fewell stated that his understanding was that without this system, Brown County

111

would not receive reimbursement from Medicare and/or Medicaid. Mr. Hogarty explained that identifying the cost right now would not be realistic because of the numerous programs available while reviewing a needs assessment.

Ms. Sellen said she hoped this would be approved tonight in order to prevent further delays.

Motion made by Supervisor LaViolette and seconded by Supervisor Moynihan to approve. <u>MOTION APPROVED UNANIMOUSLY.</u>

8. Family Care Update:

Ms. Sellen said the District is re-posting the Planning Director position, because only two applicants had experience. She said there is a website being developed for Family Care, and a timeline has been established.

Ms. Sellen said Jean O'Leary is Brown County's delegate right now. The next meeting with all the elected is scheduled for September 28, 2009.

Motion made by Supervisor LaViolette and seconded by Supervisor Lund to receive and place on file. <u>MOTION APPROVED UNANIMOUSLY.</u>

9. Community Treatment Center Update:

Mary Johnson, Nursing Services Administrator, said the Center is on schedule, and as soon as "hard hats come off" the staff can start going into the facility. The Open House will be October 6 at 5:00 p.m. for the Board. She opined that it is a beautiful facility, and the taxpayers will be pleased.

Motion made by Supervisor LaViolette and seconded by Supervisor Lund to receive and place on file. <u>MOTION APPROVED UNANIMOUSLY.</u>

10. Mental Health Center Statistics (July 2009):

Motion made by Supervisor Lund and seconded by Supervisor Moynihan to receive and place on file. <u>MOTION APPROVED UNANIMOUSLY.</u>

11. Bellin Psychiatric Monthly Report (July 2009):

Motion made by Supervisor LaViolette and seconded by Supervisor Fewell to approve. <u>MOTION APPROVED UNANIMOUSLY.</u>

Motion made by Supervisor Fewell and seconded by Supervisor Knier to approve. <u>MOTION APPROVED UNANIMOUSLY.</u>

14. Monthly Contract Update;

Motion made by Supervisor Lund and seconded by Supervisor Moynihan to approve. <u>MOTION APPROVED UNANIMOUSLY.</u>

15. Financial Report for Community Programs:

Motion made by Supervisor LaViolette and seconded by Supervisor Lund to approve. MOTION APPROVED UNANIMOUSLY.

16. Financial Report for Mental Health Center:

Motion made by Supervisor Lund and seconded by Supervisor Knier to approve. MOTION APPROVED UNANIMOUSLY.

17. Director's Report:

Ms. Sellen said that reference/background checks are being completed on the potential new Human Services Director prior to making an offer to that person. The Budget has been presented to County Executive Tom Hinz.

Supervisor Fewell stated that he had received several calls during the past month concerning reorganization and layoffs going on at the Community Treatment Center. He said he was not aware of this; and according to Brown County Code, these decisions should be reviewed by this Committee. Ms. Johnson said it had been decided to move all employees to the new facility in their present positions. She also said there were no anticipated lay-offs; there is the same number of FTE's. She said there had been some discussion concerning reorganization to meet the needs of the new facility. She recognized that this was a very stressful time for the employees. She also said after reviewing this with Human Resources, it was determined that these changes could be made gradually through attrition.

Motion made by Supervisor Knier and seconded by Supervisor Fewell to suspend the rules to allow the public to speak. <u>MOTION APPROVED UNANIMOUSLY.</u>

Cheryl Jahnke said she works for the Community Treatment Program for Brown County. She said she is an LPN and the President of Local 1901. She said there has been a lot of stress with this move to the new building, partly due to fact that "no one was talking to us." She said there were three negotiations set up; the contract was opened early to "make this move go smoothly. And they kept cancelling on us, saying we are not ready..." She said there was one meeting that resulted in the union leaving. She said, "Comments were made that we did not appreciate, so we just got up and left; because we were kind of told in a roundabout way that we were stupid and didn't know anything. So we left." She said Mary (Johnson) was right; there were the same number of FTE's. But people would have had to work full weekends at ".8;" so those employees would have been 2 days' short in a pay period. This would have resulted in lost benefits and vacation. She said the contract does say that there should be no lay-offs through this year. She stated that "Management and H.R. did not want to communicate with us. We tried...We were really disappointed because we

thought we could sit down and work with them and try to make the move smooth for everybody, including the clients; because when the employees are upset, they don't do a good job." She said, "Now that this was taken back, and this whole thing was dropped, and everybody's moving over," today employees are smiling, laughing and looking forward to the move; they are not concerned about losing their jobs. She said she has explained to the employees that there may be changes, but hopefully it will affect the "lower senior" people.

Motion made by Supervisor Moynihan and seconded by Supervisor Lund to return to regular order of business. <u>MOTION APPROVED UNANIMOUSLY.</u>

Motion made by Supervisor Fewell and seconded by Supervisor Lund to receive and place on file. <u>MOTION APPROVED UNANIMOUSLY.</u>

PROCEEDINGS OF THE AGING & DISABILITY RESOURCE CENTER OF BROWN COUNTY BOARD MEETING August 27, 2009

PRESENT: Patricia Finder-Stone, Keith Pamperin, Pat Cochran, Tom Diedrick Bill Clancy, Steve Daniels, Judy Parrish, Libbie Miller, Donajane Brasch, Warren Skenadore, Grace Aanonsen

ALSO PRESENT: Sunny Archambault, Arlene Westphal, Devon Christianson, Diana Brown, Jennifer Nelson

PLEDGE OF ALLEGIANCE.

Chairperson Diedrick called the meeting to order at 8:30 a.m.

ADOPTION OF AGENDA: A motion was made by Ms. Miller and seconded by Ms. Aanonson to adopt the August 27, 2009 agenda. **MOTION CARRIED**.

APPROVAL OF THE MINUTES OF THE REGULAR MEETING OF JULY 15, 2009: Ms Finder-Stone moved and Ms. Cochran seconded to approve the minutes of the regular meeting of July 15, 2009. MOTION CARRIED.

FINANCIAL REPORT:

A. APPROVAL OF JULY FINANCE REPORT: Ms Archambault reported that, while it appears that we are overspending the Benefit Specialist Part D grant, this is not the case. We are spending this grant first so that we can capture MA revenue with other funding sources. Building Improvements are over budget as a new foundation was needed on the parking lot project. This year we have \$109,000 in Fall Prevention which we will not have next year. Next years budget includes \$22,899 to continue these services on a limited basis.

Under revenues, Ms. Archambauit noted that although we are currently under in nutrition program donations and COP revenue for homebound meals, we are also under in food cost expenses.

Ms. Finder-Stone moved and Ms. Cochran seconded to approve the July, 2009 Financial Report. **MOTION CARRIED.**

I3. APPROVAL OF RESTRICTED FUNDS: Board Members reviewed the restricted donations of \$20 from Jean & Ken Mickle, \$25 from Thomas & Susan Prust, \$100 from Lowell & Virginia Corwin, and \$50 from Streu's Pharmacy all in memory of Margaret Leicht for agency use. The also reviewed the restricted donation of \$100 from Sandra DeRuyter in memory of Doris DeRuyter for agency use.

Ms. Miller moved and Ms. Aanonsen seconded to approve the Restricted Donations. **MOTION** CARRIED.

C. DISCUSSION OF PURCHASES FOR NUTRITION PROGRAM USING
RESTRICTED FUNDS: Ms. Archambault reported that for years the Home Bound Meal Program has been using steel cases requiring the use of sterno to keep food warm. These cases are very old and parts to repair them are not being made anymore. We have recently tested the use of electric thermal bags. These thermal bags are much lighter to transport and keep the food warm by plugging them into the driver's car

cigarette lighter. Ms. Archambault requested board approval to purchase 20 electric thermal bags at \$300 each using the dollars saved by not having to purchase sterno and dollars in the Restricted Nutrition Fund.

Mr. Dan els moved and Ms. Miller seconded to purchase 20 electric thermal bags using \$6,000 from the sterno savings and restricted nutrition funds. MOTION CARRIED.

C.APPROVAL OF 2008 AUDIT: Ms. Archambault referred board members to the 2008 Audit included in the board packet. She reported that the 2008 Audit was completed by Schenck, Certified Public Accountants, and the only issue to arise was that of a "control deficiency" which has been addressed in past years. This issue comes up each year because we do not have a Certified Public Accountant on staff. Our response to this is that management believes the cost for additional staff time in training to prepare year end financial reports outweighs the benefits. The summary of the auditors' results indicated that the ADRC of Brown County qualifies as a low-risk auditee.

Ms. Finder-Stone requested copies of the county financial policy to review.

Ms. Cochran moved and Mr. Daniels seconded to approve the 2008 audit. MOTION CARRIED.

REVIEW AND APPROVAL OF DRAFT 2010-2012 AGING/ADRC PLAN: Ms. Archambault reviewed the 2010-2012 County/Tribal Plan on Aging. She noted that "Section 2 – Context" included projected growth statistics of persons age 60 and above. From 2000 to 2030, the total population of Brown County is expected to increase by 29% while the population of persons 60 years of age and older increase by 117%. She reviewed other information including gender, disability, diversity, and income.

In deve oping this plan, she stated that we surveyed older adults participating in our Add *LIFE* centers and the congregate and homebound meal program and asked them to tell us the top 4 tissues they felt impacted their lives. The same survey was distributed to professionals and staff. The concerns most frequently identified were health care, financial concerns, long-term care and transportation.

The plan also includes a description of our role in the Long-Term Care System. The plan details our responsibilities as an Aging & Disability Resource Center in a non-Family Care county.

The section on "Critical Issues, Trends, Future Implications, Challenges and Resources" was developed by using information taken from our SWOT (Strengths, Weaknesses, Opportunities & Threats) exercise completed at the May board meeting. Ms. Archambault noted that our greatest challenge is to maintain our mission in light of the economic conditions we face today.

The goal statements and major activities were reviewed for the focus areas of: Emergency Preparedness Plans, Transportation Coordination and Family Caregiver Support. Ms. Archambault distributed the "Prepare Now" emergency planning guide that was developed for distribution to our clients in an effort to encourage them to plan ahead so they are prepared in the event of an emergency. The locally determined areas included advocacy and prevention programs.

Board Ministers Page 2 August 28, 2009

The public hearing for this plan is scheduled for Friday, October 16 at 2:30 p.m. at the ADRC. Board members were encouraged to attend the hearing and to bring any comments or suggestions to the September and October board meetings. Ms. Finder-Stone share that the plan was very well written.

Ms. Miller moved and Ms. Finder-Stone seconded to approve the 2010-2012 Aging/ADRC Plan. **I/IOTION CARRIED.**

BUDGIET 2010 UPDATE: Ms. Archambault stated that she, along with Tom Diedrick, Devon Christianson, and Debra Bowers, met with the County Executive to review our 2010 Budget, as well as our request for 3 new positions - 2 I& A Specialists and 1 Benefit Specialist Assistant. Ms. Archambault felt the meeting went very well and Executive Hinz was very supportive of the work we do at the ADRC.

DISCUSSION OF OFFICE AND PROGRAM SPACE NEEDS: Ms. Archambault reported that we are currently investigating the possibility of purchasing another building just down the street. We need additional office space and we would like to move our homebound meal program closer to our office. She explained that this building is adjacent to the county parking lot and would be convenient for the county to provide snow removal on this property. We will be working with county facilities as we proceed to determine the feasibility of remodeling and/or purchasing. Ms. Archambault stressed that this is in the very preliminary stage.

I&A UF DATE: Ms. Christianson, Assistant Director of the Aging & Disability Resource Center, gave a brief I&A update. She reported that ORCD (Office for Resource Center Development) is the state office responsible for quality assurance and development in ADRCs. In April ORCD came to Brown County to share results of a statewide quality assessment that had been completed. From this information, ADRCs were asked to prepare a Quality Plan to address any issues that had been identified. For our ADRC, the area that needed improvement was access/ease in finding our phone number. We had to ask ourselves how do we know for sure that other professionals really know how to direct consumers to us? We accomplished our project by putting together strategies to provide data and measurements showing how we have improved on this.

Ms. Christianson also shared that she had recently gone to New Hampshire to speak with professionals from that state and Vermont on how to develop an ADRC. She was amazed to find out that all ADRCs face similar issues and was struck by how progressive the Wisconsin ADRCs are in comparison. She noticed the tension between agencies and saw how fortunate we are to have built the relationships we have with Independent Living Centers and 211. Ms. Christianson noted that in October staff from Vermont will be coming to visit us to observe the inner-workings of our ADRC.

Ms. Christianson also shared a client case that demonstrated the difficulty of meeting the state's recommended cost savings measure of providing no more than 30 days of short-term case management services to clients instead of 90 days. The case included: a debilitating stroke for spouse in her 50's resulting in 24-hour care; caregiver spouse loses job and health insurance; potential home foreclosure; inability to get in and out of home because of disability; inability to obtain help in getting ramp for home due to possible foreclosure; no income; no access to home health care. These very real and fragile situations can not be solved in a 30 day window. The resources available to the I&A worker include trying to work with informal supports, building trust with family, and linking caregiver to support groups. The Crisis Center may need to play a larger role in the outcome.

LEGISLATIVE UPDATE: Ms. Archambault distributed an e-mail she received from Tom Frazier with the Coalition of Wisconsin Aging Groups regarding Federal Care Reform. The article addresses the process, the overall approach, Medicare reform and several of the more controversial issues.

DIRECTOR'S REPORT: Ms. Archambault announced the Aging & Disability Resource Center Conference "Building Bridges" will be held on September 21-22 at the Stevens Point Holiday Inn & Convention Center. There is a seminar free for board members on the governance of ADRCs on the first day. She encouraged board members to attend and to contact her if they were interested.

GREATER WISCONSIN AGENCY ON AGING RESOURCES (GWaar) NETWORK NOTES: Ms. Archambault distributed the minutes of the July 13, 2009 Greater Wisconsin Agency on Aging Board of Director's Meeting as well as the agenda for the August 31, 2009 meeting for board members to peruse.

ANNOUNCEMENTS: The following announcements were made:

NEXT MEETING DATE - SEPTEMBER 24, 2009: The next ADRC Board of Director's Meeting will be held on Thursday, September 24, 2009.

a. Mary Brick reported to the Board regarding transportation to Syble Hopp and the districts that we serve. Mary works with Lamers Bus Lines to assign each child a seat. One child is assigned per seat, however, if two are required to sit together, boys sit with boys and girls sit with girls. Students must stay in their assigned seats. This procedure is done for the safety of the children. Mary is also working to add more bus aides to ride with the children for their safety.

Mary Brick also reported to the Board that starting August 31, 2009 the Green Bay City Transit will be adding a new route to the west side of DePere that will pick-up and drop-off in front of the school. This route will run on a daily basis and will allow our staff and students to do additional bus training and experiences in the community.

PROCEEDINGS OF COMMUNITY OPTIONS PLANNING COMMITTEE - AUGUST 24, 2009

ONGOING CBRF PLACEMENTS

There were two people placed this past month, one at Bornemann CBRF and one at McCormick CBRF. Those are two of the six CBRF facilities covered by the resolution passed by this Committee in June, 2009. Ms. Felmer reiterated the reasoning behind the resolution and recapped Julie Button's presentation at that meeting. Julie Button is the state's Ombudsman for this area. Ms. Felmer added that the list of six can be increased or decreased with Committee approval. Ms. Marcelle asked how we monitor what goes on in these CBRFs, and Ms. Pivonka stated that case managers regularly visit the facilities. We also have an RN (Jessica Schumacher) who goes into the facilities to check on things when a problem arises. Ms. Marcelle said she thinks the importance of monitoring needs to be reinforced with the case managers. Ms. Archambault said the case managers meet in teams weekly with their supervisor and discuss cases. After more discussion it was decided that Ms. Pivonka will ask a case manager and possibly an RN to attend the September meeting and explain the process and what they look for with regard to CBRFs.

MOTION: Ms. Desotell moved to receive and place this report on file. Ms. Archambault seconded. Motion carried unanimously.

- 4. Catholic Charities Teen Parent Presentation:

A presentation was made by Mallory Tomasovich – Teen Parent Program Case Manager, Sarah Denis - Child Welfare Case Manager, and Karen Johnson – Director of Catholic Charities.

Ms. Tomasovich explained that the Teen Parent Program, which is part of Catholic Charities, offers case management services to those teens that are in need of support in creating a parenting plan. The ultimate goal is to help the teen parent get connected with community resources such as WIC, Medical Assistance, Food Stamps, Housing Assistance, and Child Care. The program believes in teaching abstinence education as a way to prevent unplanned pregnancies and addresses social and peer pressure, with the focus on independent living skills and building positive relationships for individuals. A \$1500 grant from the Partnership for Education has trained two staff in outcomes of forty Developmental Assets. External assets are identified in categories of support, empowerment, boundaries and expectations, and constructive use of time. Internal assets include a commitment to learning, positive values, social competence, and positive identity.

Ms. Tomasovich explained that at this time, only 1% of teen mothers choose adoption. Participants must meet with the case manager on a regular basis, must make improvements in their lives, must attend school and graduate, attend

budget counseling, etc. Of the 12 clients who graduated this quarter, six are employed. (Specific outcomes are attached)

5. Family Care Update:

Jayme Sellen, serving in a quasi role as assistant to the County Executive, as well as Interim Human Services Director, explained that although the Family Care District has interviewed for a Planning Director, because of lack of experience of the applicants, the position will be reposted. Informational forums are planned to begin in November for the public, providers, clients, etc., with enrollment to begin in December 2011. The "district" will include seven counties, along with the possibility of three tribal governments.

The Asset Checklist was reformatted to produce more accurate information for the program. This form will continue to allow case managers to track asset levels although levels will be documented quarterly instead of at each meeting, as previously done. Through data collection we have found this to create the potential for miscalculations or human influence in results. In our continued efforts to develop a program that enhances assets, we have gained a better understanding of how these assets should be tracked. We believe that assessing quarterly on paper aligns much better with the quarterly outcomes reports we have in place. A change in our form will make reporting data more accurate. In addition, there is room for case managers to make notations of how the assets were enhanced and create a clearer picture of client's strengths and achievements.

- Prize drawing.

He stated that John Walschinski will decorate the box to be used to collect prize drawing ticket stubs. Chair Krueger stated that he did have the two-part tickets that will be used for the drawing. John Maino will act as MC (Master of Ceremonies) for this event; Mr. Polus will provide an agenda for Mr. Maino's use. Mr. Polus will contact Kathy Kocken and ask her to relay the performance times to the band.

Mr. Polus asked to appear on Mr. Maino's radio program to promote this event on August 14 and August 21. Mr. Maino agreed. Chair Krueger suggested that it might be more effective to have Mr. Polus appear on August 14 and on August 19. Mr. Maino will also make frequent radio announcements and suggested that one of the Navy Band Horizon members appear on his radio program as well. Chair Krueger said the press release will be forwarded to the media on August 12 (attached).

Mr. Polus reported that tickets had been distributed through mailings to the veterans' organizations, the Aging & Disability Resource Center, and from the Brown County Veterans' Service Office. Mr. Bettine stated that since there was no time on the tickets, it would be important to have that information relayed through the advertising. Mr. Polus will ask his staff to write the starting time on the remaining tickets; and Mr. Maino will emphasize the time during the radio announcements.

Mr. Polus will talk with Kathy Kocken to have coffee and/or lemonade provided. Chair Krueger will get donuts and/or cookies. Mr. Polus stated that he will review the set up of tables with Kathy Kocken as well when he and Mr. Haskins visit. After their visit, they will contact the members of the Subcommittee with an update. Mr. Bettine may also accompany Mr. Polus and Mr. Haskins.

6. Report from John Maino, if available:

Mr. Maino reported that he has received over \$1,000 in donations for the bus trip for the soldiers in the Tomah hospital. These soldiers will attend a Packer game on Saturday, August 15.

Mr. Maino is hoping to have shirts for the Subcommittee members before the Brown County Fair.

Mr. Maino offered to assist with refreshments. Mr. Polus will let Mr. Maino know if there is a need after Mr. Polus speaks with Kathy Kocken.

Chair Krueger will bring the items being sold and given away in the prize drawing. He asked about signs showing the prices of items being sold; Mr. Polus will obtain posters and will bill the Subcommittee for costs.

7. Monthly Report from CVSO Jerry Polus:

Mr. Polus said there were between 70 and 80 people in attendance at the Aging & Disability Resource Center monthly veterans program. He stated that the guest speaker was Bill Secor, MSW, who is the Team Leader for the Green Bay Veterans' Center that will be opening soon in Green Bay. The open house for this new facility is Monday, August 24, 2009, at 3:00 to 6:00 p.m.

Mr. Polus stated that there is a bus tour planned to Camp American Legion in Lake Tomahawk, Wisconsin, on September 10, 2009. He stated that this continues to be a strong program for veterans.

Mr. Polus reported that over 100 proposals were submitted to the VA for the land for the new VA hospital in Brown County. He stated that the VA reduced this to 16-18 and is making on-site visits to these locations. Chair Krueger stated that the property proposed by Brown County "has fantastic pluses." Brown County has offered to build a Veterans' Memorial Park adjacent to the property along a trail system. He also pointed out that this property is close to housing, Aurora Hospital, and the belt-line, and views the Bay. Chair Krueger said Brown County will make a presentation tomorrow.

8. Approve Dollar Amount to be Spent on the Brown County Fair:

A motion was made by Don Bettine and seconded by Sherry Steenbock to spend up to \$150.00 for items for Veterans' Day at the Fair. Vote taken. MOTION CARRIED UNANIMOUSLY.

9. Approve Amount to be Spent for Veteran Service Office Staff T-Shirts:

A motion was made by Don Bettine and seconded by Jim Haskins to spend up to \$300.00 for Veteran Service Office staff t-shirts. Vote taken. MOTION CARRIED UNANIMOUSLY.

10. Report from Chair Jack Krueger:

Chair Krueger reported that he has the tickets for the door prize drawings and asked Mr. Polus to also obtain a sign for "Veterans Door Prize Tickets Available Here."

11. Report from Committee Members:

Jim Haskins stated that he delivered Veterans' Day posters to the Fair Executive Board, as well as some tickets as samples for those persons collecting the tickets at the Fair Grounds gates. He expressed disappointment with the advertising by the Fair Board, because there was no reference to either Veterans' Day or the Navy Band. He said he put

posters up at Panera Bread and Golden Corral, and he will put a poster up at Applebee's. John Maino suggested the Rite Place.

Mr. Haskins read a newspaper article indicating that Wisconsin Governor Doyle signed two bills into law to formally recognize veterans for service in the Korean and Viet Nam wars; one bill named July 27 as Korea War Armistice Day, and the other named March 29 as Viet Nam Veterans' Day. Duane Pierce stated that those dates represent the dates those wars ended.

Mr. Haskins mentioned another article that stated: Support our Troops. Donate your Car to the Purple Heart and listed "purpleheartcars.org."

John Walschinski designed a drawing for Rolling Thunder and gave that to Duane Pierce.

Don Bettine stated that the Vet Center sent a mailing to the veterans' organizations.

Sherry Steenbock said she brought new certificates and said she would be out of town, so she won't be able to attend the Fair.

Duane Pierce said this Saturday there will be a day-long event in Suring in honor of Wisconsin's Fallen since 9-11. He said there will be two bands, food, raffles, and a motorcycle/car ride from Suring to Nichole Frye's grave site.

Mr. Pierce said on August 29th Rolling Thunder has been given the honor of presenting the Green Bay Packers with a POW flag for Lambeau Field; there will be a ceremony at 2:00 p.m. He asked that Subcommittee members attend and asked that John Maino publicize this event.

12. Such other matters as authorized by law: None.

A motion was made by Jim Haskins and seconded by Sherry Steenbock to adjourn at 6:13 p.m. Vote taken. <u>MOTION CARRIED UNANIMOUSLY</u>.

Next meeting September 8, 2009, at 5:15 p.m.

Respectfully submitted,

Lisa M. Alexander Recording Secretary

PROCEEDINGS OF THE BROWN COUNTY VETERANS' RECOGNITION SUBCOMMITTEE

Pursuant to Section 19.84, <u>Wis. Stats.</u> a regular meeting of the **Brown County Veterans' Recognition Subcommittee** was held on Tuesday, September 8, 2009, at 5:15 p.m., in Room 201 of the Northern Building, 305 E. Walnut Street, Green Bay, Wisconsin.

PRESENT: Jim Haskins, Chair Jack Krueger, Duane "Snake" Pierce, John

Walschinski.

EXCUSED: Don Bettine, John Maino, Sherry Steenbock, Kristen Verhaagh.

ALSO PRESENT: Jerry Polus.

As there was not a quorum present, no formal action was taken.

1. Call Meeting to Order:

The meeting was called to order by Chairman Jack Krueger at 5:17 p.m.

- 2. Invocation by Jim Haskins.
- 3. Approve/modify agenda: No action taken.
- 4. Approve/modify minutes of August 11, 2009: No action taken.
- 5. Request from C.P.O. Troy Ness for Membership on the Committee: No action taken.
- 6. Review of 2009 B.C. Fair Program & Discuss the Presentations of "Thank You" Plaques:

Suggested recipients of "Thank You" plaques:

- Navy Horizon Band
- Ryan Funeral Home
- Brown County Fair Board
- Naval Reserve Unit
- 7. Suggestions for the 2010 B.C. Fair Program & Direction of the Committee to Achieve Goal:

General consensus was that the Veterans' Day Program went very well. There were positive comments about the Navy Horizon Band as well.

When Chair Krueger asked if the Band might be available next year, Jerry Polus, Veterans' Service Officer, offered an alternative. He said he spoke with Sergeant Wells who informed Mr. Polus that the Wisconsin National Guard has several bands that offer free performances. Mr. Polus said he mentioned next year's fair to him and has the application in case the Subcommittee would like to pursue this.

Mr. Polus said he thought this year's attendance was the highest ever. He continued by saying it would have been nice to have more publicity by the Fair Board and Media; but overall, he said he thought it was a very good event.

Several members expressed disappointment and suggested having the Fair Board include Veterans' Day on the posters that are distributed by the Fair Board. Mr. Polus suggested having the location of the booth (within the fair grounds) identified on the posters printed for this Subcommittee. Duane Pierce said a large sign above the booth itself would help. Another suggestion was adding the time of the Veterans' Program on the posters.

Jim Haskins will meet with the Fair Board and offer the suggestions when he presents the "Thank You" plaque to them.

Mr. Polus suggested that Mr. Haskins ask the Fair Board to consider adding free admissions for the spouses of the veterans. Chair Krueger said he would like to get a sponsor (or perhaps more than one sponsor) to cover the admissions of all the veterans and their spouses/families. He cautioned that the sponsors should not be any organization already providing sponsorship to the Fair which might cause a reduction in those contributions.

8. Discuss Plans for the 2009 Veterans' Day Program at Duck Creek VFW:
Chair Krueger distributed information to Subcommittee members of the previous year's contributors; he said if any contact needs a letter, give him a call at home.
He requested that each member make calls to the same places as last year plus any others the member would like to contact.

9. Review All Veterans' Day Programs in the Area & this Committee's Involvement:

Chair Krueger asked the Subcommittee members to report next month on any events in the area.

10. Report from VSCO Jerry Polus (if available):

Mr. Polus said Thursday a group is going from the Aging & Disability Resource Center to Camp American Legion.

Mr. Polus said he has a tentative agenda for LZ (Landing Zone) Lambeau for next May. Chair Krueger mentioned that he saw Mark Murphy, President and CEO of the Green Bay Packers, being interviewed recently. Mr. Murphy told the interviewer that a huge event was being planned to recognize the Viet Nam veterans in 2010 (LZ Lambeau). Chair Krueger said Mr. Murphy invited all Packer fans to attend this celebration.

Chair Krueger asked where the POW (Prisoners of War) flag was positioned at Lambeau Field. Duane Pierce said it is on the flag pole closest to the street in front of the statues.

Mr. Polus said the Neville Public Museum contacted him today and expressed a desire to develop a display tied in with LZ Lambeau. He said he referred them to the local Viet Nam veterans' chapter. Chair Krueger added that the Museum is

hosting a ceremony at the 9/11 Memorial from 8:00 to 8:30 a.m. on September 11, 2009.

Mr. Polus continued by saying the driving force behind LZ Lambeau is Wisconsin Public Television; Mr. Pierce said the Packers offered the location. Mr. Polus said this is still a work in progresss.

Chair Krueger said the Veterans' Center is open, and Mr. Polus said he has heard positive comments.

- 11. Report from Chair Jack Krueger, Including Review of the Media Release & Contacts Made by the Chair: None.
- 12. Report from Committee Members (Steenbock, Bettine, Haskins, Maino, Pierce, Verhaagh, & Walschins

Jim Haskins reported that he spoke with Senator Hansen re: the public hearing on August 1. Mr. Haskins was told that the meeting did not go well; it was lightly attended; and most were against it, especially the Republicans. Senator Hansen told Mr. Haskins that he would keep trying.

John Walschinski provided a sample of artwork to Mr. Polus for a window display. Mr. Walschinski and the Subcommittee members recognized the Recording Secretary and expressed appreciation for the quality of the minutes.

13. Such other matters as authorized by law: None.

Meeting adjourned at 5:56 p.m.

Next meeting October 13, 2009, at 5:15 p.m.

Respectfully submitted,

Lisa M. Alexander Recording Secretary

Dear Ms Sellen:

Thank you for agreeing to present this information to the Brown County Board of Supervisors.

I have attached an Excel spreadsheet that shows the daily census in the Adolescent Unit per addendum to the memorandum of understanding. Bellin Psychiatric Center did not transfer any involuntary adolescents to other institutions, nor were any admissions refused in the month of August.

If you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

Linda S. Roethle, M.S. FACHE President
